TRA: **SOLID**
Speed Rating: **SOLID**

Lifttop SDS is the latest addition to the Galaxy's extensive range of forklift tires. This non-marking tire is specially designed for forklifts performing severe duty applications in warehouses. The robust 3-stage construction ensures manifold advantages like superior riding comfort, minimum heat build up, enhanced shock absorption and excellent durability. Special tread design with optimum tread depth ensures grip and stability.

INDUSTRIAL FORKLIFT TIRES - 6.00-9
