

**GALAXY
MATERIAL HANDLING**

TRA: **E-4**
Speed Rating: **A2**

Galaxy HM-450E is specially designed keeping in mind the needs of a reach stacker tire. The high tread depth of the tire ensures longer life which is vital for a reach stacker working in harsh port environment. The high turn up around the bead ensures less flexing thus minimizing the chances of bead failure. HM-450E provides high load carrying capacity with outstanding maneuverability for smooth handling of the containers.
